

"I had the pleasure of working with Stephanie & Usborne Books for four years. Stephanie is a hard worker and team player. In addition, she is flexible and dependable. Change is the norm in the business world today, and I found that Stephanie has the ability to take an idea, write it down, and formulate a plan to make it happen with her strong organizational skills. Finally, she is persistent about working through situations to make them better. I would recommend Stephanie as part of your business team!"
